

JBC Youth Manifesto

We the Youth at Journey Bible Church choose not to conform to the “world” any longer. We understand that we are at a time in our life when we are pulled in many directions with many temptations. However we choose to live a life of excellence. A life pleasing to the Lord and one that will glorify Him.

We choose to have.....

Faithful

We will be faithful in our relationship with our Lord Jesus. We will choose not to put anything before Him. We will be committed to prayer, fasting and studying His word.

Integrity

As part of integrity we will strive to be honest in all we say and do. We will strive to follow through in our commitments. We will live in such a way that people will know they can trust in what we say and do. We will choose not to gossip and strive not to be offended easily.

Accountability

As part of Journey Bible Church youth we choose to be accountable to one another. Building relationships and praying for each other. We understand that we can come to one another and share each other's burdens. We will also be accountable for our actions not blaming others for our wrong doing. We will strive to ask for forgiveness if we wrong another person.

Purity of Life

We choose to live a life pure and pleasing to God.

We choose not to take part in corrupt speaking, sex before marriage, drugs and alcohol, or anything that does not glorify the Lord. We will strive to make it a point not to be alone with a person of the opposite sex under any circumstance. (Family and relatives excluded)

We understand that if any of these things have been a part of our life that we find forgiveness at the cross and can strive from this moment on to live a life of purity. As youth at JBC we understand that if any of our peers are facing temptations we will not judge.

Humility

We choose to glorify the Lord giving Him the praise and not our self. We choose not to speak negatively of our leaders, family, peers, or anyone that has been placed in our life. We will not be prideful and will not make others feel less about themselves.
